

Lenders used by LSU Health Sciences Center Shreveport Students

LSUHSC-Shreveport students borrowed Federal student loans from the lenders listed during 2005-2006, 2006-2007, and 2007-2008 school years. The lenders are not ranked or listed in any particular order. This information is provided to assist student borrowers as they begin evaluating their lender options.

The LSU Health Sciences Center Shreveport Student Financial Aid Staff cannot recommend or select a lender for the student. The choice of a lender for federal and private educational loans is the student's. Students are not limited to this list. The Student Financial Aid Office will process loans from any eligible lender the student borrower decides to use.
